H&MM Week In Review

FRISCO, Texas, and SPRINGFIELD, Mo. - John Q. Hammons Hotels & Resorts, LLC proudly announces that the Embassy Suites Hotel Dallas-Frisco (www.embassysuitesfrisco.com) recently received the "Facility of the Year" award from the Dallas/Fort Worth Chapter of Meeting Professionals International (MPI). Located in Frisco, Texas, the Embassy Suites Dallas-Frisco is owned by Mr. John Q. Hammons and is managed by John Q. Hammons Hotels & Resorts, LLC, the nation's leading independent builder, developer, owner and manager of upscale, full-service hotels, resorts and suites.

"We continually strive to provide our guests with an exceptional and personalized experience," said Bill Bretches, general manager of the Embassy Suites Hotel Dallas-Frisco. "Receiving this award from a prestigious group of industry professionals proves our dedication to being one of the Dallas area's most hospitable properties and to upholding the highest standards in our services."

MPI's Dallas/Fort Worth chapter awarded the hotel with the honor based on its experience during a monthly meeting in September 2005. At each monthly meeting, members evaluate the venue by rating the facility, menu selection and service. At the end of the year, each facility's scores are compared and the top three are nominated for the "Facility of the Year" award. Committee and board members then vote on which facility wins the final honor. Other hotels that were nominated this year include the Hyatt DFW and Adam's Mark Hotel Dallas.

In addition to MPI's "Facility of the Year" award, the Embassy Suites Hotel Dallas-Frisco recently received the AAA Four-Diamond Award and Embassy Suites brand awards. The hotel also celebrated its one-year anniversary in April 2006.

"We are proud of the industry recognition the hotel has received during its first year of operation," said Mr. John Q. Hammons, founder, chairman and chief executive officer of John Q. Hammons Hotels & Resorts, LLC. "I am confident that the facility will continue to exceed the industry's and guests' expectations."
